

IN *Loving*
MEMORY

Returning to the Sun

At times like this,
We may search for the perfect words
To give form to our feelings,
Make the thing complete,
Set the matter at rest.
Yet, in hours of searching,
Each piece is rejected
Too precise, too difficult, too sweet, too harsh,
Implying what we do not wish to say.
But, look into the wide blue sky,
And the thoughts will come like this:
"Remember me when I loved you most
And you loved me most.
Remember me when I was my bravest
And I did you right.
Let that be our bond.
And, let us rise in the morning and enjoy the light
And know that I am returning to the sun."
