Celebrating Her Life

Arlena Chandler

Arlena Chandler was born in Chicago, Illinois to the union of Rixxie and Eliza Chandler. **Arlena** was the youngest of 2 sisters and 2 brothers who preceded her in death: James, Lloyd, Elizabeth and Leona.

Arlena graduated from Simeon High School in 1969 and received an Associates Degree from Kennedy King College. She went on to receive a Bachelors and Masters Degree in Psychology from Chicago State University. She worked at Echo Mental Health and Community Mental Health as a mental health counselor. At the time of her passing she was employed at Fola Community Action Services.

Arlena was called to her eternal home on February 22, 2024.

Arlena is survived by her eldest son James Ingram and her youngest son William Ingram. She also leaves to mourn her passing five grandchildren: Kerrie, Hailey, Tashara, Ethan and William Jr.; three great-grandchildren and a daughter-in-law Vanessa Sanchez Ingram; three nieces: Brenda, Darlene, and Linda; four great-nieces and two great-nephews; a host of friends and relatives.

Arlena will be remembered for her giving heart and sense of humor. She counseled the mentally ill and was always willing to help the less fortunate.

Although she has left her loved ones behind, she will forever live on in their hearts.

Auntie Arlena

*I was blessed to have you
for an Aunt, but I thought
we'd have more time
The times we couldn't see
each other you were always
on my mind*

*You comforted me when my
mom (your sister) passed
away
Auntie I hope you know I
loved you and prayed for
you each day*

*You were a devoted and
loving mother to your two
sons James and William
Auntie you were intelligent,
strong, spirited, nurturing
and forgiving*

*As I write this poem for you,
I am filled with deep sorrow
On Earth we will never
share anymore todays or
tomorrows*

*I will never forget you and
in my heart fond memories
of you will remain
Auntie Arlena we will be
reunited again one day on a
higher plane*

~Your Loving Niece Linda
