

Tribute from her children

Missing you is unmeasurable, you had our hearts at hello, we're grateful for you choosing us, you gave us an opportunity to see life from many different perspectives with a foundation of unconditional love, a ride or die to say the least. You were so proud of us that no one could measure up, it was all about "Carrie's Kids" Well.....we hope that you can hear us mom because we are proud of you too! From the two dollars on the table every day for lunch to showing up for each and every grand and great grandchild to show support, love and affection. We see your sacrifice and will always love you and all the memories that you gave. Here's to you mom, a standing ovation for a job well done! Until we meet again duces..... two fangas!

"Dear God, we gather here today to honor and remember our granny, your family, and friend Carrie Ann Davis, who touched our lives with love, kindness, and grace. Though our hearts are heavy with grief, we are grateful for the time we shared and the memories that will forever live within us.

Please bring comfort to all who mourn and strength to carry on, knowing Carrie Ann is now at peace in Your eternal care. May we find solace in Your presence and in the hope that we will one day be reunited. Amen."

A Husband's Last Love Letter,

To My Loving Wifey, Carrie Ann Davis. God Our Creator, saw fit to call You Home to be among his Angels. Meeting You 47 yrs. ago then 6 yrs. later legally becoming Husband and Wife, You were My Blessing. It always amazed me how we managed to have 2 anniversaries yearly, until I finally understood that You were celebrating both the Day We Met and the Day We Married, no worries, I just made sure you had Anniversary Gifts on both Days, as tokens of My Love! For Our entire 47 years together, We were never separated, never apart. You were My Blessing, From God, My Rock and Anchor, My only Love at 1st sight experience was when we first met both of us being just 25 yrs. old. Although Our Journey together only lasted for 47 years, I wished and wanted forever. You became My Better Whole and All Wives Know as Well as Husbands that the strengths We draw comes from the Love of a Good Woman, Ain't no Woman like the one I got. You did a phenomenal Job as a Loving Nurturing Mother and captured my heart as My Wifey. You helped to keep me focused and calmed during my crazy days early on and your patience and sweet demeanor, sealed the deal for Me! My Bride, My Wifey, My Carrie Ann, "You, Were The Wind Beneath My Wings. May Our Spirits Always Be Connected". Love You till The Day I Die My Wifey! Our Love is Eternal!
